

Assessment overview

Content domain	Total
Number and place value	5
Addition, subtraction, multiplication and division (calculations)	11
Fractions, decimals and percentages	4

Question breakdown

Q	Reference
1	2N3 recognise the place value of each digit in a two-digit number (tens and ones)
2	2N1 count in steps of 2, 3 and 5, from 0, and in tens from any number, forward or backward
3	2N1 count in steps of 2, 3 and 5, from 0, and in tens from any number, forward or backward
4	1F1a recognise, find and name a half as one of two equal parts of an object, shape or quantity
5	1C2a add and subtract one-digit and two-digit numbers to 20, including zero
6	1F1b recognise, find and name a quarter as one of four equal parts of an object, shape or quantity
7	2C2a add and subtract numbers mentally, including: a two-digit number and ones; a two-digit number and tens; two two-digit numbers; adding three one-digit numbers
8	2N3 recognise the place value of each digit in a two-digit number (tens and ones)
9	1F1a recognise, find and name a half as one of two equal parts of an object, shape or quantity
10	2C1 recall and use addition and subtraction facts to 20 fluently, and derive and use related facts up to 100
11	2N1 count in steps of 2, 3 and 5, from 0, and in tens from any number, forward or backward

Q	Reference
12	2C1 recall and use addition and subtraction facts to 20 fluently, and derive and use related facts up to 100
13	2C2a add and subtract numbers mentally, including: a two-digit number and ones; a two-digit number and tens; two two-digit numbers; adding three one-digit numbers
14	2C3 recognise and use the inverse relationship between addition and subtraction and use this to check calculations and missing number problems
15	2C2a add and subtract numbers mentally, including: a two-digit number and ones; a two-digit number and tens; two two-digit numbers; adding three one-digit numbers
16	1F1b recognise, find and name a quarter as one of four equal parts of an object, shape or quantity
17	2C2a add and subtract numbers mentally, including: a two-digit number and ones; a two-digit number and tens; two two-digit numbers; adding three one-digit numbers
18	2C3 recognise and use the inverse relationship between addition and subtraction and use this to check calculations and missing number problems
19	2C3 recognise and use the inverse relationship between addition and subtraction and use this to check calculations and missing number problems
20	2C3 recognise and use the inverse relationship between addition and subtraction and use this to check calculations and missing number problems
